

# Zero T

The newest piece of furniture by Ak47 Design

# Zero T

Registered Design

It is an eclectic multi-functional object.  
Zero T can become a coffee-table, a bookcase,  
a practical container or stylish eco-friendly fire pit.

The essential lines of its contemporary design  
provide uniqueness and style to modern living spaces,  
which require intelligent and flexible solutions.

The fire bed creates a warm and cosy atmosphere,  
the room it inhabits becomes a relaxing and lively space.

Zero T can be placed open-air,  
to enhance outdoor spaces with a touch of originality  
for special and unforgettable moments.

# Zero T

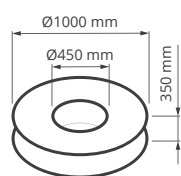

Registered Design

Zero T is a perfect synthesis of aesthetics and functionality. It has been conceived to fit even the smaller settings. Its 1000mm diameter makes it the ideal piece of furniture to add character and personality to your living area.
